We serve Arizona patients for prevention, treatment of Covid, and long haulers. We offer evening and weekend telemed appointments. We work with independent pharmacies that are happy to fill these prescriptions. We have actual customer service – you can talk with us. To start, send us a brief email at realhealth411@gmail.com and we will email to you a Covid FAQ and a New Patient form so we can understand what you need and schedule an appointment. We respond to most emails within hours. We are often able to do same-day or next-day appointments.
